Arigbodi Emuobo
Managing Director/CEO

HSE & QUALITY ASSURANCE

The focus on safe, secure and efficient performance is a cornerstone of our operations. Mb hunt Logistics is proud of its HSE record, and strives to achieve safe, efficient, reliable and cost effective services, on time, every time. Our commitment is ongoing and long term, as evidenced by the ongoing health and safety campaign which is imbedded in our routine, regular safety campaigns.

Mb hunt Logistics is very well represented and active within the industry where we strive to improve safety performance and process by being engaged in the various client feedbacks and other industrial forums.

QUALITY SERVICE

Our project management and quality assurance systems ensure that clients get the excellent service they require always.

Mb hunt Logistics policy is 100% committed to QHSE in all projects we execute. In order to achieve that we:

- Implement a quality management system
- Enforce policy statement on HSE, Quality, Community Affairs, Security & Drugs and Alcohol Use
- Working towards obtaining ISO 9001:2008 Quality Management System, Environmental management ISO 14000 & Occupational Health and Safety Assessment Series (OHSAS) Certificate – OHSAS 18001

Company Management System:

This guides us in the control and management of quality, health, safety, environment and security in operations and projects.

MB HUNT LOGISTICS OPERATING PHILOSOPHY

Our operating philosophy is clear; safety is first and foremost. High standards of operation are underpinned through regulatory compliance, on time every time. Our internal auditing regime and Quality Assurance processes underpin the commitment to the client, personnel, communities and local content.

MB HUNT LOGISTICS LOCAL CONTENT

Mb Hunt Logistics has a strong and enviable track record of local content delivery and compliance.

- It is the policy of Mb Hunt Logistics Company to be committed to and support the importance of composite value added or created in the Nigerian economy through the deliberate utilization of Nigerian human and material resources for the provision of goods and services to the oil and gas industry in order to stimulate the development of indigenous capabilities, within the acceptable quality, health, safety and environmental standards.
- Mb Hunt Logistics project management teams, engineering and procurement centres for all projects in the Nigeria Oil and Gas Industry are 100% located in-country.
- Mb Hunt Logistics offers training programs to all her staff in order to ensure the effective performance of their responsibilities as well as rightly positioned for global competitiveness. This is done by deliberately sponsoring members of staff to attend relevant seminars, workshops, trade shows and conferences.
- All our Assets and Equipment are 100% Nigerian owned and our vessels are compliant with the Cabotage and NCD Act.
- Mb Hunt Logistics sources and gives first consideration to Nigerian Professionals, Community personnel, Tradesmen and Craftsmen over and above Non-Nigerians indigenes.
- It is our policy to maximize the participation of Nigerians through continuous training of personnel. Currently, Mb Hunt Logistics possesses the equipment and human resources needed in the execution of her projects.
